REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose, either singly or in combination, a touching panel apparatus with optical detection for locations, having a border at a periphery of the of the touching panel with a setting pattern; and at least two photographing units located at two locations of the border to photograph the touching object and the border on the touching wherein this information is used to obtain a position of the touching object on the panel after analysis; or using this information to export video information signals to obtain a panel position of at least one touching object on the surface of the panel; or using an optical location detection unit, which photograph a plane of the panel and at least one touching object by a slant angle, wherein the plane has a touching detection region to form a virtual touching panel and this information is used to export a signal to control the displayed pattern on the display screen to have a motion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is (571) 272-2434. The examiner can normally be reached on Mon-Thurs from 0900-1700.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave P. Porta can be reached on (571) 272-2444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
